Company Name:

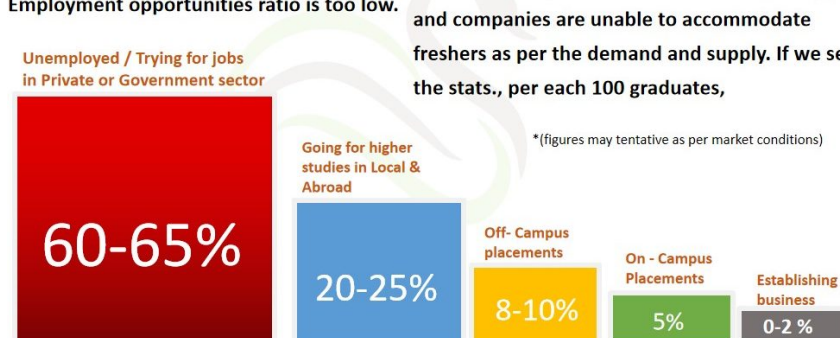

CAREER CRAFT MANAGEMENT

R.O.P.E (An Integrated Training Program on HR)

What is meant by R.O.P.E concept?

Now a days, Graduated freshers Vs
Employment opportunities ratio is too low.

As per some surveys, out of every 100 fresher graduates, only 10 - 20 candidates are getting jobs and companies are unable to accommodate freshers as per the demand and supply. If we see the stats., per each 100 graduates,

So Career Craft Management Pvt. Ltd. identified this gap in the market and we came up with a solution for this, i.e. **R.O.P.E concept** (Routemap to Obtain your Professional Empowerment).

Through this **R.O.P.E** concept, after completion of this program, “you don't need to aim, only for job. You have multiple options.”

*Option 1: Either you can do a **Job as HR***

*Option 2: Or you can get your own projects and work as a **HR- FREELANCER***

*Option 3: Or you can build your own **START UP COMPANY** in HR industry.*

WHY HR- JOBS IS HAVING HIGH DEMAND?

- **Chances of getting the HR job** is high for both freshers & experienced, irrespective of market conditions/scenarios
- Decent work profile with comfortable work and **less job pressure**
- Remarkable career growth with nice **salary hikes and promotions**
- **Corporate lifestyle with great job benefits** and working in metro cities with corporate companies.
- **Mainly job-security** is high for this roles, compared to many other jobs. Usually, these jobs will be called as **recession proof jobs**.
