What is R.O.P.E concept? (Routemap to Obtain your Professional Empowerment)

*Now a days, Graduated freshers Vs Employment opportunities ratio is too low. As per some survey stats. out of every 100 fresher graduates, only 10 – 20 candidates are getting jobs and companies are unable to accommodate freshers as per the demand and supply. *(figures may tentative as per market condition)*

*So Career Craft Management Pvt. Ltd. identified this gap in the market and **we came up with a solution for this, i.e. R.O.P.E concept.** Through this **R.O.P.E** concept, after completion of this program, “you don’t need to aim for only job. You have multiple options.”*

*Option 1: Either you can do a **Job as HR***

*Option 2: Or you can get your own projects and work as a **HR- FREELANCER***

*Option 3: Or you can build your own **START UP COMPANY** in HR industry.*

*(You will get proper guidance from CAREER CRAFT MANAGEMENT expert team upto **06 months, even after course completion.**)*
